African Americans - Slavery in the United States | Britannica

Historians have debated the nature and extent of European and African agency in the actual capture of those who were enslaved. During the early years of the transatlantic slave trade, the Portuguese generally purchased Africans who had been taken as slaves during tribal wars. As the demand for slaves grew, the Portuguese began to enter the interior of Africa to forcibly take captives; as other Europeans became involved in the slave trade, generally they remained on the coast and purchased ...
