Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Divine Comedy-I: Inferno Study Guide | GradeSaver

The narrative of Inferno is extremely linear and progressive; the actions unfold over a sequence of increasingly extreme scenarios. Unlike most works of fiction, in which action is driven by the complex traits and motivations of characters, Inferno concerns itself very little with the personal qualities of Dante and Virgil. Rather, the narrative structure of the poem is directly tied to its ...
