Eye Candy is a friends to lovers romance but from the start there is a spark between the two main characters. So, there is no awkwardness regarding "all of a sudden noticing that your friend is attractive" type of trope. Both Jackie and Vince had been through some heart-wrenching divorces where they were left by their significant others.

In my opinion, the Eye Candy anthology is not really a collection of stand alone stories. I think each story is best enjoyed after reading the previous works of these authors so that you're familiar with the characters. You can certainly go in and read this "blind", but I believe it is so much more fulfilling if you already have a bit of an ...
