Brittany C. on StudyBlue. Values of journalistic views and political views are at odds with each other, so resulting news agenda misrepresents what is at stake in the choice among candidates; journalistic values add an element of random partisanship to the campaign, creating bias and an advantage to one side of the campaign.

Complete the research paper at the beginning of the course, and spend the rest of the course studying for the midterm and the final. Ask questions during class. Your professor can't read your mind. Understand that you only have yourself to blame if you fail to ask a question in class and that very question ends up on the exam. Gather a political science study group together to study for the exam.

As an introductory course, POLSC101 will focus on the basic principles of political science by combining historical study of the discipline's greatest thinkers with analysis of contemporary issues. We will also identify and discuss the questions that perennially drive the field of political science, including (among many others): "How do we define the changing nature of power?", "How do we differentiate between legitimate and illegitimate governance?", "What are the differences between ...
