Reason 2.5 Power

Reason 2.5 is several functional modules in one droolingly productive package; Reason 2.5 Power! is several operation manuals and tutorials masquerading as chapters in one of the most useful complimentary computer books for a powerhouse program I've seen. Combine the above, mix well, and hear the sweet music.

Version ...

This course was produced using Reason 9.5. What is taught here is valid from version 7 up to version 11. The first section is to get beginners started: you will understand how Reason works, create your first devices, play and record your first notes, and apply your first effects. The second section is the core of the course.
