Temperamentally difficult children can confuse and upset even experienced parents and teachers. They often act defiant, stubborn, loud, aggressive, or

The Difficult Child by Stanley Turecki - Goodreads

This book describes the unique, in-born personality and behavior traits which our children have, making some of them more challenging to deal with. With more understanding of their make-up and some specific strategies to try as parents and teachers, adults can feel more in control of the situation and children's unique needs can be met more readily.
