The Human Venture

We use the term 'Human Venture' to indicate the importance of drawing on the larger developmental patterns associated with our species' development. It's only when we join the instances of life into some kind of coherent pattern that we can understand the vector - discern what life progress is and what it is not - and actively begin to shape our development so that it's moving in the direction of wisdom.

Home - The Human Venture

Human Ventures is a business creation platform. We go beyond the business model to build and invest in Model Businesses with ambitious founders who are innovating around Human Needs. By unlocking access to a powerful network of founders, investors and corporate partners, we are creating a blueprint for the future of business to be built on purpose.

Human Ventures

This fifth edition of The Human Venture, like its predecessors, attempts to provide a historical background to the changing world of today. Like earlier editions, this one tries to offer a genuinely global perspective, rather than a European history with add-ons about other cultures.
