The Reflective Practitioner by Donald Schon | Gray's ...

The Reflective Practitioner Donald Schon (1983, 1987) provides a framework that not only addresses these cognitive and organizational barriers, but distinctly illuminates the practice of reflectivity as well. Models for reflective practice, based on Schon's (1983, 1987) principles, describe processes that translate theory to action for educators.

The Reflective Practitioner

Schon's theory of reflective practice was developed in his seminal book 'The Reflective Practitioner: How Professionals Think in Action', first published in 1983 and then republished in 1991. Unlike Kolb's (1984) reflective theory, Schon's theory is not a multi-stage or circular model of reflection.

Schon Reflective Model - essaywritingserviceuk.co.uk

The reflective practitioner One of Donald Schon's greatest contributions to professional education was to stress the role of reflection within the learning process (Schon 1983). Examining professional practice, Schon identified two types of reflection: reflection-in-action and reflection-on-action.

Reflective Practice

Donald Alan Schon (1930-1997) trained as a philosopher, but it was his concern with the development of reflective practice and learning systems within organizations and communities for which he is remembered. Significantly, he was also an accomplished pianist and clarinetist - playing in both jazz and chamber groups.
